

About Our Company

Italy Experts

Our professional staff of over 120 licensed guides and professional drivers have years of experience providing escorted travel around Italy. Aielli & Benevento also relies on a board of specialists in the fields of Italian culture, cuisine, art and leisure management to provide us with ongoing advice and expertise.

- Touring Italy since 1985
- Int'l Member, ASTA
- Bonded & Insured

Aielli & Benevento is a private travel consultancy focusing exclusively on Italy. We have been touring the Italian peninsula since 1985

Effortless Travel

Aielli & Benevento is the leading trip planning and management service for Italy. Unlike a travel agent or tour operator, we develop for you and your traveling party a custom travel plan. Once approved, we'll make all the time-consuming arrangements, from spa appointments and cooking classes to private guides and restaurant reservations. Aielli & Benevento takes the risk out of foreign travel; we also take the guesswork out of choosing the right hotel in the right location that meets

your budget. We aid you in plotting the travel times between destinations, optimizing your time in each locale and arranging all your ground transportation needs from private cars to the EuroStar train.

Free Consult with Trip Planner

To arrange an initial complimentary consultation with one of our touring experts, send an email to: info@aielli-benevento.it. Please include your full name and address. Thereafter, we will arrange a 10-minute phone interview at your convenience with one of our specialists.

Effortless travel. Unmatched experiences. A trip tailored around you.
